FASHION DRAPING TECHNIQUES VOL 1

Draping, also known as moulage, is a fashion design technique that involves working with fabric directly on a mannequin, 'sculpting' the toile on a dress form. Imagination and freedom are the key principles of this process, allowing the designer to start from an idea and change it as the garment progresses.

\$69.99

FASHION DRAPING TECHNIQUES VOL 2

Following the first volume of Fashion Draping Techniques, which focused on details, this new volume takes a step forward and moves on to complete items of clothing, such as dresses, blouses, jackets, and skirts, all explained in a detailed and easy to understand manner. Each chapter also includes suggestions about what kind of fabric to use in each piece of clothing.

\$69.99

ADVANCED CREATIVE DRAPING

Advanced Creative Draping teaches designers and students how to drape fashion-forward, conceptual designs that use elements of couture construction to elevate the work to the highest level of fashion. Five methods of draping are explored as well as draping using embellishments or particular surface designs. The final chapter demonstrates how to create a high-quality heirloom garment.
