## Vitamin D3: Today's Best in Contemporary Drawing

Phaidon's 'Vitamin' series has long proved an extraordinarily accurate predictor of tomorrow's stars. This paperback edition of the latest volume is a cutting-edge and indispensable survey of the very best of contemporary drawing, as chosen by a panel of the world's leading art experts.

**\$80.00**

## Vitamin C+: Collage in Contemporary Art

Over 100 global artists working with collage, as chosen by a team of art experts - an indispensable who's who of the most exciting and innovative names working in the medium. Collage is an artistic language comprising found images, fragmentary forms, and unexpected juxtapositions.

**\$110.00**

## The Collection Te Kohinga

Since opening in 1888, Auckland Art Gallery Toi o Tamaki has become home to one of the largest public art collections in Aotearoa New Zealand. Travel back through history and across place - one artwork at a time.

**\$45.00**

## The Art of Darkness

The Art of Darkness is a visually rich sourcebook featuring eclectic artworks from throughout history which have been inspired and informed by the morbid, melancholic and macabre.

**\$45.00**

## Ink on Paper: Aotearoa New Zealand Printmakers of the Modern Era

Revolutionised by the introduction of the linocut, early to mid twentieth-century printmaking is one of the most progressive and dynamic periods in Aotearoa New Zealand's art history. This exquisitely illustrated book features ambitious and delightful etchings, lithographs, wood-engravings and linocuts by some of the country's finest artists.

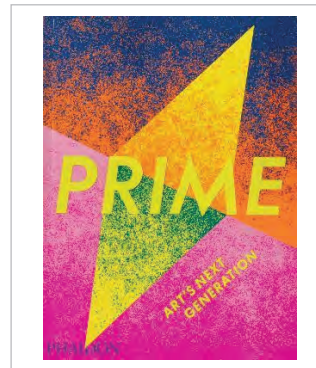

**\$49.99**

## Drawing in the Present Tense

This book explores the variety of ways in which contemporary artists from around the world have come to approach drawing as the primary, sometimes the sole, element of their practice, and one which is autonomous: an end in itself rather than a means to an end in another, more substantial medium.

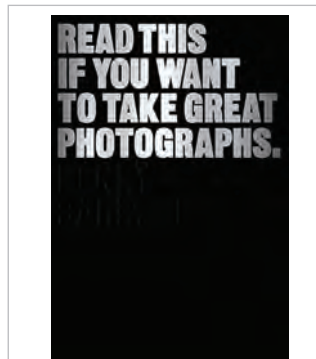

**\$80.00**

## Prime: Art's Next Generation

The most exciting rising stars in contemporary art featuring 107 artists born since 1980, as chosen by a new generation of art experts and leaders. This illustrated survey brings together more than 100 of the most innovative and interesting contemporary artists working across all media and spanning the globe.

**\$120.00**

## Read This if You Want to Take Great Photographs

Ideal for users of phone, mirrorless and DSLR cameras, the book is split into five sections: composition, exposure, light, lenses and the art of seeing. Thought-provoking images by iconic photographers serve to illustrate points and encourage readers to try out new ideas.

**\$39.99**

## Women Painting Women

A thematic exploration of nearly 50 female artists who choose women as subject matter in their works, *Women Painting Women* includes nearly 50 portraits that span the 1960s to the present. International in scope, the book recognises female perspectives that have been underrepresented in the history of postwar figuration.

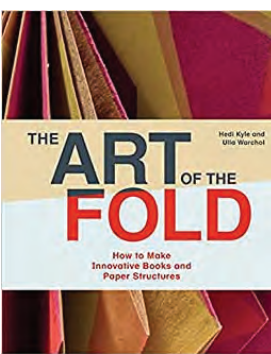

\$129.99

## Australian Abstract: Contemporary abstract painting

There is no single neat definition of abstract art. It makes no attempt to represent reality; instead it has its own visual language using shape, colour and form with no rules. An explosion of creative expression and gestural force, *Australian Abstract* explores the constantly evolving genre and how it offers unparalleled artistic freedom.

\$79.99

## The Art of the Fold

The renowned and influential book artist Hedi Kyle shows you step-by-step how to create her unique designs using folding techniques. Bookbinding and paper craft projects include flag books, blizzard books, the fishbone fold and nesting boxes.

\$55.00

## New Folk Art: Folklore & Traditional Craft

From mural art to fashion, product design, graphics and interiors, *New Folk Art* features a colorful collection of work from around the world that draws from ancient folklore and traditional crafts to breathe new life into tales that have been passed down through the generations.

\$80.00

## New Australian Printmaking

*New Australian Printmaking*, a project by the NGV and Australian Print Workshop, features new work by artists Megan Cope, Shaun Gladwell, Tim Maguire and Patricia Piccinini, each a recipient of an Australian Print Workshop Artist Fellowship. With varied experiences in printmaking, these artists, through their collaborations with APW's master printers, reveal the rich possibilities of the print medium.

\$55.00

## Great Woman Painters

*Great Women Painters* is a groundbreaking book that reveals a richer and more varied telling of the story of painting. Featuring more than 300 artists from around the world, it includes both well-known women painters from history and today's most exciting rising stars.

\$120.00

## Ocean: Exploring the Marine World

The latest instalment in the bestselling Explorer Series, *Ocean* takes readers on a journey across continents and cultures to discover the endless ways artists and image-makers have found inspiration in the marine world throughout history.

\$100.00

## African Art Now

Over the past two decades contemporary African art has taken its rightful place on the world stage. Today, African artists work outside the confines of limiting categories and outdated perceptions; they produce art that is as much a reflection of Africa's tumultuous past as it is a vision of its boundless future.

\$89.99

## Fungal Inspiration

Explore the marvelous kingdom of the fungi through this magnificent follow up to *Botanical Inspiration*. While nature's beauty is evident throughout the plant kingdom with its showy blooms, lush vegetation and grandiose statures, there is just as much charm to be found among the fungal denizens lurking off the beaten path in our forests and wild places.

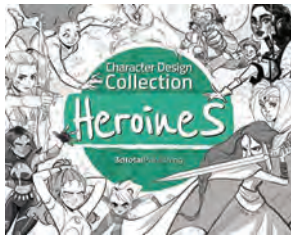

\$70.00

## Dark Inspiration: Grottesque Illustration & Design

At long last the bestselling *Dark Inspiration* series will be available again, this time in a single volume, combining the best of macabre art from the original two volumes with an assortment of all new projects. From depictions of our most primal fears to scenes of death and injury, the featured work provokes viewers to confront the demons that haunt us all.

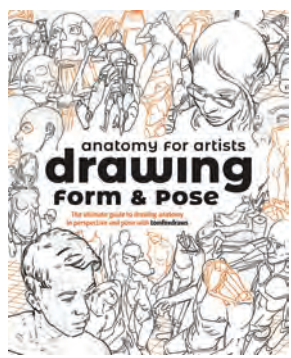

\$65.00

### Character Design Collection: Heroines

Delve into the popular and competitive world of heroine design as 50 of the world's finest character artists from the fields of animation, illustration, comics, and games share a behind-the-scenes look at their stunning sketchbook pages, showcasing over 2,500 drawings!

\$99.99

### Anatomy for Artists: Drawing Form & Pose

Learn how to confidently draw the human form from head to toe with this comprehensive, richly illustrated guide. Expert drawing instructor and storyboard artist Tom Fox knows exactly how to capture the figure in poses that are both dynamic and true to human anatomy.

\$139.99

### Anime Architecture: Imagined Worlds and Endless Megacities

Anime Architecture presents the most breathtaking environments created by the most important and revered directors and illustrators of Japanese animated films. From futuristic cities of steel to romantic rural locales, the creators of anime have conjured memorable and painstakingly detailed worlds, the influences of which have been felt across cinema, literature, comic books and videogames.

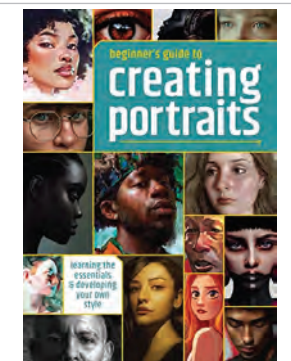

\$80.00

### Character Design Collection: Fairy Tales & Folklore

Character Design Collection is the dynamic new series from the character-design experts, 3dtotal Publishing. Including 50 projects by industry professionals, with extensive explorations of pose, expression, and clothing, artists of all abilities can use this book as reference and inspiration to create breathtaking characters.

\$89.99

### Beginner's Guide to Creating Portraits

The portrait is one of the world's oldest artforms, but today's technology and culture mean it's time to take a fresh look at how today's portrait artists work outside the realms of realism and elevate their technique. The Instagram-friendly appeal of the portrait means that the modern version can be seen everywhere on social media.

\$139.99

### How To Be A Professional Anime Artist

Specially commissioned step-by-step tutorials by respected professionals help you fine-tune your technique for engaging results, and define your niche as a pro artist. Projects tackle anime styles such as the dynamic Shōnen and fantasy tinged Shōjo, both aimed at adults, and Kodomo, created for children.

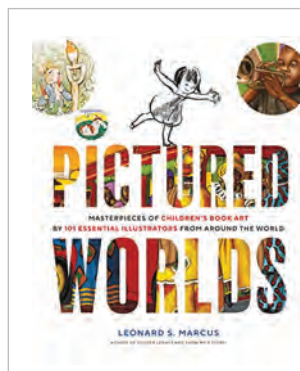

\$129.99

### Surrealism and Magic

Like no other 20th-century movement, Surrealism was keenly inspired by tropes of magic, myth and the occult. In their engagement with the irrational and the unconscious, numerous of its members looked to magic as a poetic and deeply philosophical discourse, related to both arcane knowledge and individual self-empowerment.

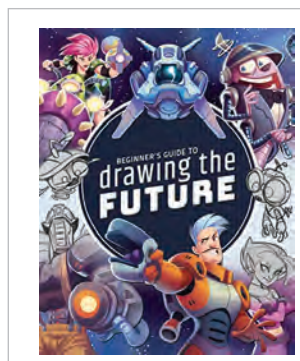

\$120.00

### Pictured Worlds: Masterpieces of Children's Book Art

In Pictured Worlds, renowned historian Leonard S. Marcus shares his incomparable knowledge of this global cultural phenomenon in the definitive reference work on children's book illustration.

\$120.00

### Beginner's Guide to Drawing the Future

Voyage into a future where droids, hovering buildings, and space vehicles exist with Beginner's Guide to Drawing the Future – an accessible, entertaining introduction to creating science-fiction concepts with traditional tools.

\$99.99

### Contemporary Watercolour On The Go

This book is an excellent tool for learning to sketch on location. Through the "no drawing first" technique, readers will learn to use only watercolour and a brush to draw in notebooks, make quick urban sketches, keep visual journals and create compelling outdoor urban work.

\$59.99

## 52 Assignments Macro Photography

This book is a mission brief, a portfolio of photographic workshops, a personalized journal and an inspirational guide to putting the creativity back into your craft. It is filled with a year's worth of weekly tasks and assignments devised to help you capture perfect macro images.

\$29.99

## Erwin Olaf: Strange Beauty

For his photographs and films, the Dutch photographer Erwin Olaf creates a world that has been staged down to its smallest detail. It seems very similar to ours, but its artificiality give it an enigmatic sense.

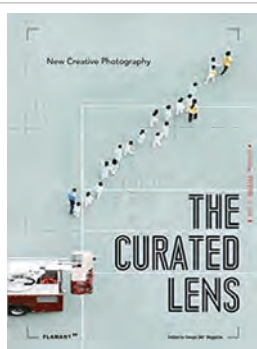

\$90.00

## Tim Walker: Story Teller

Tim Walker is one of the most visually exciting photographers of our time. This book showcases many of his most dazzling images - 'his daydreams turned into photographs'.

\$80.00

## The Curated Lens

An inspirational photography book that opens up new perspectives and redefines our way of seeing. Perfect for readers interested in graphic design, photography and visual communication, this book takes an in-depth look at real-world graphic compositions as they are seen through the lenses of some of the world's most talented photographers.

\$75.00

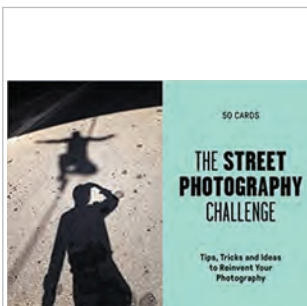

collage

## Collage: Women of the Prix Pictet

Showcasing some of the finest photographers creating powerful imagery around the world today, Collage features images by 64 women photographers on the theme of sustainability. Together the images address the most urgent environmental and social problems that face the planet, from the aftermath of the war in Ukraine to human trafficking across the Gulf of Aden.

\$120.00

## Street Photography Challenge

Capture a reflection, play with layers, blatantly blur, or just try and 'shoot nothing'. The Street Photography Challenge is a boxed set of 50 cards, each giving keen photographers a simple prompt or idea for snapping great images in everyday environments. Flip the card over for an example image, and turn to the enclosed booklet when you need more detail.

\$44.99

## Liam Wong After Dark

No matter how different or far apart, cities at night share particular features: neon lights and lonely figures, quiet train stations and taxi drivers, empty buildings and streets. In After Dark, Liam Wong encounters the people and places, the slivers of life, that move differently in this time, weaving these fine threads into an insomniac's journey through the night.

\$80.00

## 101 Things I learned in Film School

An illustrated, accessible introduction to filmmaking from an award-winning Hollywood producer, screenwriter, film school professor, and script consultant to major movie studios. Anyone with a cellphone can shoot video, but creating a memorable feature-length film requires knowledge and mastery of a wide range of skills.

\$55.00

## As We See It: Artists Redefining Black Identity

Across photography, sculpture and painting, a new wave of Black artists is challenging persistent tropes in art and wider society to depict a richer portrait of the lives of Black people from all corners of the globe. As We See It brings together 30 image-makers creating visually refreshing narratives on Black cultural identities, and exploring what Blackness brings to the making and viewing of art.

\$80.00

## Reclaim The Street

A world tour of the very best street photography today, Reclaim the Street showcases work by more than 100 contemporary photographers, from the established to the emerging, from all corners of the globe: including work by Indian practitioner Swarat Ghosh, Thai photographer Juthart Pinyodoonyachet (aka Poupay), and the Brazilian photographer Gustavo Minas.

\$110.00

### The Effervescence of Painting in Contemporary Art

Edited by Anaël Pigeat, this bilingual book explores the work of thirty artists selected by the Jean-François Prat Prize, which celebrates a decade of support for contemporary painting: an immutable artistic practice that extends beyond traditional definitions. This richly illustrated work includes 240 of the most exciting recent paintings.

\$120.00

### World of Art: Art and Climate Change

Art and Climate Change collects a wide range of artistic responses to our current ecological emergency. When the future of life on Earth is threatened, creative production for its own sake is not enough. Through contemporary artworks, artists are calling for an active, collective engagement with the planet in order to illuminate some of the structures that threaten biological survival.

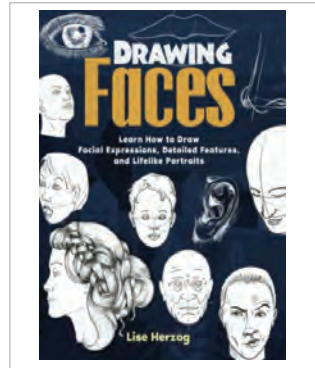

\$39.99

### Artists' Master Series: Colour and Light

In-depth illustrated advice, detailed step-by-step tutorials, enlightening case studies, and awe-inspiring inspiration provide a distinctive and invaluable blend of advanced techniques that can't be found anywhere else. For artists and designers aiming to raise their game to an expert level, the Artists' Masters Series is the key to success.

\$129.99

### Drawing Faces: Learn how to Draw Facial Expressions

Grab your sketchbook, pens, and pencils, and follow along as this instructional drawing guide teaches you everything you need to know about creating true-to-life human faces.

\$45.00

### Picturebook Makers

In this book, world-class picturebook makers generously share their experiences, challenges, doubts, sketches, illustrations, and invaluable insights into their creation process. They reveal the complex and time-consuming work that happens behind the scenes, in service of their stories and their readers.

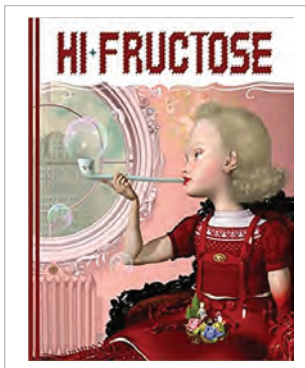

\$55.00

### Figure Drawing the Human Body

Informative and instructive, this comprehensive guide will give you all the tools you need to draw the human figure, from life and from a screen. While many books focus on just one aspect of figure drawing, this manual unites the skills of observation, expression and understanding in one coherent approach.

\$60.00

### Hi-Fructose Collected Edition: Volume 1

Hi-Fructose goes beyond the comfort zone of the "alternative" norm to deliver a diverse cross section of the most influential, genre bending art of our time as well as breaking new and amazing talents.

\$89.99

### Women Street Artists

The power, glory, diversity, and talent of women street artists finally gets the attention it deserves in the first book to focus solely on the female gaze writ large on urban walls and sidewalks across five continents. If street art is, in itself, an act of rebellion, it is tragically ironic that the genre seems dominated by men.

\$89.99

### Amy Sherald: The World We Make

The long-awaited first major monograph on the iconic portraitist of Black Americans. This is the first comprehensive monograph on acclaimed painter Amy Sherald, whose distinctive style of simplified realist portraiture features African American subjects rendered against colorful monochrome backdrops or in everyday settings.

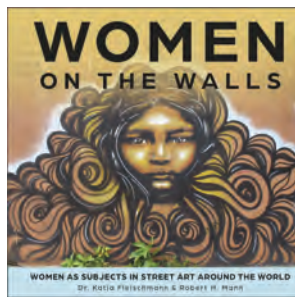

\$149.99

### Linocut Learn in a Weekend

By your own hand, prints to be proud of in no time at all. Nick Morley is a seasoned expert at guiding aspiring printmakers through their first projects, and this accessible book distills his knowledge into friendly step-by-step projects, each chosen to demonstrate a particular skill, and illustrated with clear photography.

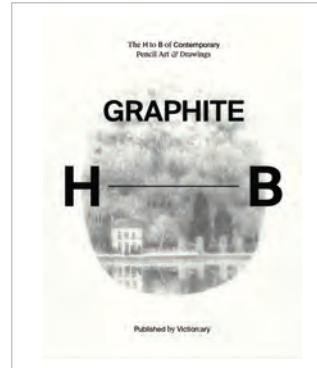

\$35.00

### Women On The Walls

The first book to focus exclusively on women as subjects in street art, this study, part travelogue and part dialogue, examines these depictions of women artistically, politically, and culturally across continents. Interviews with artists peel back the layers between artist and image, revealing stories about their work, its context, and its environment.

\$79.99

### Graphite: The H to B of Contemporary Pencil Art

At a time when almost everything can be digitally done up to perfection, the smudges and smears by graphite can be refreshing to the eye and unapologetically human – touching viewers to the core. As a creative tool, it can also be the simplest and most affordable medium with which to express oneself and find joy.

\$65.00

### Practical Colour Combinations

These colour palettes are categorized by images usually associated with each color scheme. Nearly 1,100 individual colors are introduced in this book and the CMYK and RGB values of each color used are specified. A total of 2,500 unique color combination samples are offered by presenting two-, three-, four-, and five-color combinations.

\$69.99

### Modern Block Printing

Modern Block Printing explores the ancient craft of printing by hand, through contemporary and simple designs. Rowan Sivyver demonstrates the versatility of this beautiful medium through 17 easy projects: from greeting cards to printing on fabric and clay, to ideas for making homewares such as cushions and lampshades and even making your own unique Christmas ornaments and gift wrap.

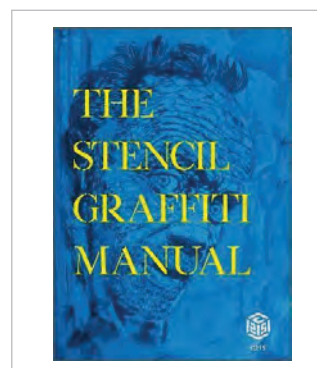

\$35.00

### Illside of town Auckland Graffiti 2004-2011

At the turn of the century, Auckland City's graffiti scene was thriving. The streets were constantly evolving with active graffiti artists pushing everything from tags to large scale productions, with the wall's showcasing who was getting up, and a reminder of who once was.

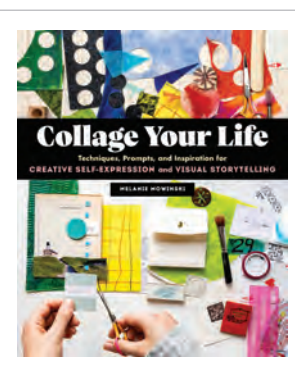

\$110.00

### Stencil Graffiti Manual

Stencils are a technique with unlimited aesthetic adaptability and possibility-from ancient cave painting to contemporary graffiti. Beyond their unique stylistic expression, stencils offer practical benefits, including precision, unlimited duplication of a message or pattern, and speed. Where handcrafted wares must be as practical as they are beautiful.

\$65.00

### Collage Your Life

Requiring minimal equipment-just scissors, glue, paper, and pens--collage is an accessible craft that offers limitless creative possibilities. Like meditation or journaling, making collage can be an avenue for self-reflection and artistic exploration.

\$65.00

### Drawing Attention: Illustration Solutions For Brands Today

Whether it's via depictions of cute imaginary characters or familiar backdrops brimming with color, illustrations can set the right tone for brands to tell meaningful stories. Besides enriching a visual language or identity system with vivid details, hand-rendered designs also make for heart-warming elements.

\$65.00

### Exploring Black & White: Drawing & Painting Techniques

In this book, renowned illustrator Victor Escandell offers a step-by-step explanation of ten different techniques and their multiple variations, so that, through experimentation, apparently simple black and white drawings or paintings gain added depth and expressiveness.

\$49.99

### Easy Oil Painting

Create nine lustrous and captivating little works of art with this unique introduction to oil painting. Acclaimed artist Estelle Day demonstrates all you need to know to embark on your oil painting journey from what paints and supplies you'll need to essential oil painting techniques. Beginners will build confidence by working on small-scale, still life painting projects designed for canvas.

\$34.99

### Little Book of Book Making

Crafters, artists, writers, and book lovers can't resist a beautifully handbound book. Packed with wonderfully eclectic examples, this book explores the intriguing creative possibilities of bookmaking as a modern art form, including a wide range of bindings, materials, and embellishments.

\$64.99

### Complete Pottery Techniques

Discover how to develop your pottery design skills and bring your ideas to life from start to finish. Covering every technique from throwing pottery to firing, glazing to sgraffito, this pottery book is perfect for both handbuilding beginners and potting pros.

\$55.00

### Marbling projects and Design Ideas

Marbling will show you how to create and transfer colorful patterns onto things you own while inspiring you to live a more colorful life. Throughout this book, Zeena Shah will help you to find your own eye for color through marbling. Color is intrinsically linked to our mood, and this book will explore how this can be translated into your craft.

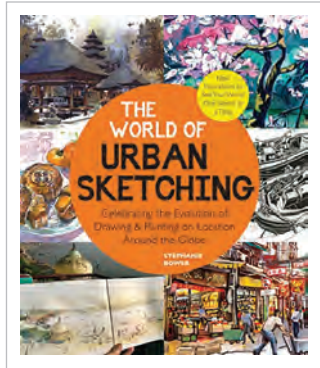

\$35.00

### Textured Art

A fresh new guide to palette knife painting for today's painting enthusiasts, featuring step-by-step tutorials for a range of different subjects using a variety of different techniques. Learn how to paint using impasto and other thick paint techniques to create striking art for your home.

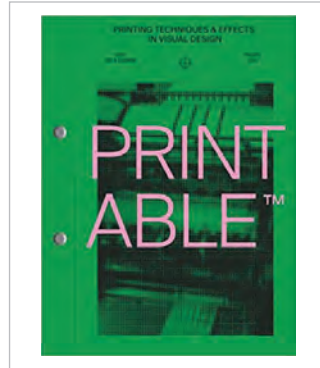

\$49.99

### World of Urban Sketching

The World of Urban Sketching is a celebration of the art form from every part of the world, with a focus on its continued vitality and growing diversity, showcasing the evolution, techniques, and variety of artwork and artists.

\$45.00

### Printable: Printing Techniques in Visual Design (available in August)

In an increasingly digital world, the art of printing has become more precious than ever. Although screens continue to take over society and sustainable practices have improved the preservation of natural resources, many designers still thrive on delivering tactile experiences, experimenting with new techniques or being inventive with conventional materials.

\$80.00

### Watercolour Nature Unleashed

Be inspired by nature and explore innovative and dynamic ways to bring vibrancy and texture to your creative watercolour works of art. Bursting with exciting and innovative techniques, best-selling author Jane Betteridge pushes watercolour to new heights, bringing nature to life with vibrancy, texture and dynamism.

\$39.99

### Making and Breaking the Grid

Take your design work to the next level with Making and Breaking the Grid: A Graphic Design Layout Workshop (Third Edition), the essential easy-to-use guide for designers working in every medium.

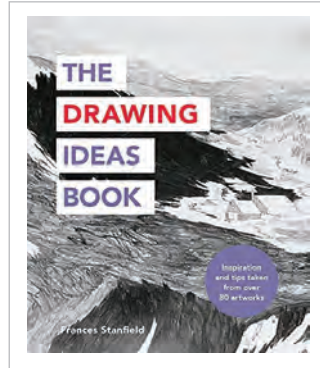

\$69.99

### Antiquarian Sticker Book

Thousands of gorgeous stickers! The perfect present for sticker lovers of all ages! Peel and decorate or browse and feast on the beauty of this lush sticker book unlike any other. A treasure trove of authentic historical prints from the ornate Victorian era to the early twentieth century can live on its own, be used on stationery and wrapping, or create an amazing collage.

\$69.99

### Drawing Ideas Book

The Drawing Ideas Book is the latest title in this exciting new series aimed at anyone who wants to take their creativity further. Full to bursting with ideas for techniques, subjects, combining media and styles, the books are a visual feast and source of inspiration for all abilities. Most artists like to investigate new ways of using their chosen medium, economic, aesthetic and theoretical contexts.

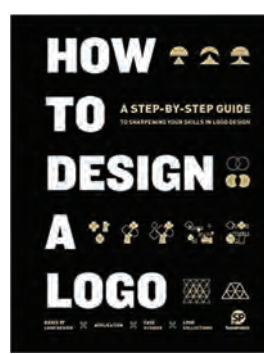

\$24.99

### From Type to Logo

When it comes to building a brand, logo design is often one of the first few important steps in the creative journey. In addition to encapsulating what the business stands for and making an impactful first impression upon launch, it has to be instantly recognisable and stand out amid other similar offerings in an often saturated market.

\$80.00

### How to Design a Logo

Logo design is a complicated and demanding task. This book, as a very practical guide, offers step-by-step instructions for the designer to have a complete understanding of how to design a logo, from interviewing the client, creating logo variations to making a standards manual. It also includes introduction to the key elements in logo design.

\$45.00

### Decoding Logos

Decoding Logos focuses on how logo and branding come into being and uncovers the design stories behind logo development. Logos are becoming increasingly simple, to the point where you might wonder just how much simpler they can get. A subtle tweak to a logotype is starting to feel like too much design. The appeal of a simple logo is that it feels more honest.

\$69.99

### Big Type

'Big Type' explores graphic design and identity work where the emphasis is on typography. The visual landscape in which today's designers are contributing to is very cluttered and the digital world alone is so vast, that sometimes it feels hard to make your voice heard amongst all the noise.

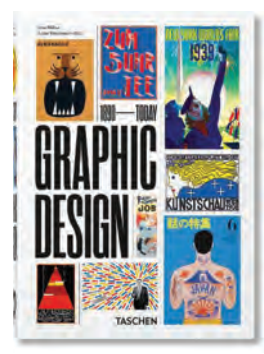

\$45.00

### New Page Design

Now in paperback, New Page Design offers a comprehensive technical explanation of basic layout principles, a crucial graphic design field that covers the arrangement of typefaces, images, colours, objects, and grids on a page.

\$100.00

### History of Graphic Design 40th Anniversary Edition

In this volume, Jens Muller traces 130 years of graphic design, designers, and developments from the late 19th century through the economic boom after World War II until today. Year-by-year spreads are combined with in-depth features on dozens of landmark projects and industry-leader profiles.

\$58.00

# ORDERING

All Secondary Schools are regularly sent a flyer detailing new books.

The easiest and best way to manage your selection and order your books is via our easy-to-use online webstore.

If you would prefer, you can email [glenn@gordonharris.co.nz](mailto:glenn@gordonharris.co.nz)
